

Teacher Guide & Important Information

Inclement Weather Policy

Students will need to be prepared to be outside all day. Please note we do not use an indoor space, but provide guide tarps and covered tents in the event of rain. If the weather is looking particularly wet/stormy before your arrival we will reschedule the day (no refunds will be given). We will contact you the day before if we need to reschedule.

Food:

- We ask that students pack out their garbage, or bring a litterless lunch and snacks for the day.
- We are a nut free facility.
- Students should bring a refillable water bottle for the day.

Clothing:

- Students will need to be prepared to be outside all day. Please remind them to be dressed for the season. (eg. dressing in layers, rain boots, hat for sun protection)
- Closed toed shoes are required.

Be Bug Aware:

- If you have any students that have allergies to stinging insects please make sure they have their appropriate medications in place (eg. epi-pen and/or antihistamine tablets)
- There have been a few ticks sightings (pending the time of year) in our area, so we encourage all families to do TICK CHECKS at the end of the day. This is a good thing to do after *any* outing in the forest or other wild area.
